Highline Public Schools will host four High School Fairs for all middle school students and their parents to hear about small school options for high school.

You are encouraged to attend your neighborhood school's event. Families considering other district schools as an option are welcome to attend any of the fairs.

There will also be daytime events featuring booths for each small school or small learning community. For details, call your middle school office.

Come learn about the choices available and get answers to your questions.

Don't miss out!
