

AHS ROBOTICS TEAM

invites you to a

Spaghetti Dinner

Saturday, November 8th

5:30pm to 9:00pm

AHS Cafeteria

615 S 200th St. • Des Moines 98198

AND

Dessert Auction

The Aviation High School **Skunkworks Robotics Team 1983** is raising funds for robotic equipment, registration fees, and travel expenses to attend competitions in Portland, Seattle and Atlanta, Georgia

Three Ways to Participate

Robot Demonstration

COME TO DINNER

A spaghetti dinner will be served before the auction.

ENJOY THE AUCTION

Bidding for desserts, items and services donated by the team and their families will begin at 7:00pm. In addition to these items, participants can "Fund-A-Skunk" by sponsoring a student with a directed donation. Money will also be donated to fund an "anonymous" Skunk for students who have a difficult time fundraising.

DONATE DIRECTLY

If you cannot attend and would like to contribute directly, tax deductible donations can be mailed to the school address. Please make checks payable to "AHS PTSA Robotics"

Prepaid tickets:

\$8/student, \$10/adult

Tickets at the door:

\$10/student, \$12/adult

Support Our Team!

2008 was our second year and it will be a hard act to follow!!! We attended the Portland and Seattle Regionals and World Championships in Atlanta, finishing the competition in the top 2% of over 1500 teams worldwide! We received five awards for Design, Safety, Business, CAD graphics and Engineering Inspiration. The team also captained the winning alliance in the Seattle Regional. **A program like this one does not happen by accident!** We need your support in raising money for team operations. Your investment in Skunkworks will pay off with great opportunities for our students. For more team information please visit our website: <http://www.ahsrobotics.us/>
