

## Good Neighbor Policy

Students and guests at the Puget Sound Skills Center campus make a commitment to be respectful of the community. This is shown by:

- 1) Not loitering in community/local businesses or in vacant lots.
- 2) Not smoking outside the campus gate or area adjacent to the school property.
- 3) Not being at the "deli" during class hours.
- 4) Parking on PSSC campus **only**.
- 5) Not obstructing traffic access to local businesses.
- 6) Not littering in the community, or the Skills Center campus or entry.

Violations of the Good Neighbor policy that are brought to the attention of the Skills Center Administrators will be subject to disciplinary action.
