

Transportation

I. Bus transportation is provided by each school district to and from Puget Sound Skills Center. Each district has established its own busing policy. Students missing the bus will be responsible for arranging their own transportation.

II. Students who wish to drive to PSSC **must** register their vehicle with the Skills Center office and **must** observe the following regulations:

- The speed limit on the Skills Center campus is 5 mph. Speeding or careless driving on the campus grounds and the streets bordering PSSC may result in loss of driving privileges.
- Parking permits must be purchased (\$10.00) and displayed in all vehicles within two weeks of the student's start date. A warning will be issued and then ticket(s) will be forthcoming. Each ticket will cost \$25.00. Student parking is marked (see map) and tickets will be issued if students park in staff or visitor spaces.
- Excessive tardiness may result in loss of driving privileges.
- Music must be at a level that will not be disruptive to the educational process. It should not be audible from inside the building.
- **The parking lot is considered an off-limit area during session hours.** The office must grant permission in order to go to a car during class.
- Drivers shall, at all times, yield the right of way to school buses.

FAILURE TO FOLLOW THE ABOVE STATED RULES MAY RESULT IN TERMINATION OF DRIVING PRIVILEGES TO AND FROM PSSC.
