

Work Consulted Tracker

Use the chart below to collect data about your sources. It is up to the researcher to find as much of the resource data below as possible. This data will be later used to create CITATIONS for a BIBLIOGRAPHY or WORKS CITED page.

*Items may not be applicable for some RESOURCE TYPES. For example, a webpage might be UPDATED but not show a COPYRIGHT DATE.

To find out more information about a website, go to www.alexa.com, www.allwhois.com, or www.archive.org/web/web.php (Way Back Machine).
